

HARLIES HOCKEY CLUB INC.

Breckler Park, Cornwall Street, DIANELLA WA 6059

Merry Christmas to all and have a fun and safe New Year.

2020 - What a year! Who would ever have thought that it was going to end up like this. However, things could certainly have been much worse. We could have been in a different state or a different country, but we all struck it lucky, living here. While we had a short season this year, certainly the majority of us enjoyed the season that we had. Spare a thought for all those that did not!

Season 2021 will (thinking positively) see us play more and enjoy more.

Our dedicated committee members are always working hard to improve the club.

I hope you all enjoy your Christmas break and the new season to come!

Best Wishes to all Peter Harris – Club President
