

Club Person of the Year

Each year, the Harlies Hockey Club ('Harlies'), has many people that contribute their time and resources to helping the club. These contributions are highly valued and whilst we cannot always recognise everyone's efforts, we do attempt to recognise some of the more significant contributions by way of our **Club Person of The Year** award.

The **Club Person of The Year** award seeks to recognise the contribution of a person who has worked tirelessly throughout the season, without the expectation of recognition and for no financial or personal gain, for the overall benefit of the club and its members. This person does not have to be an office bearer or have a specific job, nor do they need to be a member (**Note.** if the nominee is a member, they must be financial for their nomination to be considered). No minimum years of service are required to be eligible for nomination for this award.

Submitting a Nomination

If you believe that there is someone within your team, or within Harlies, that you believe has gone above and beyond to help our players, teams, or the club, please nominate them by completing the 'Nomination Form for Club Person of the Year' (included herein) and forwarding to the Secretary. Nominations must be received before the end of the fixtured season to allow ample time for Management Committee assessment.
