

## Life Membership

The Life Membership award exists to recognise the valuable contribution of individuals to the current and future existence of the Harlies Hockey Club Inc. ('Harlies', 'the Club'). It is therefore only to be awarded in exceptional circumstances.

Although only one recipient should receive this award in any one year period, Harlies recognises that exceptional circumstances may arise where more than one worthy recipient is eligible. It will then be at the discretion of the Management Committee how many awards are given. It should also be noted that life membership does not have to be awarded each year.

### Criteria of Life Membership
