Another month is upon us.

All teams have been coping well with the shortened season even though player numbers for game day have been a little bit challenging but thank you to the EO's and coaches/captains for getting the teams on the field each week. Thank you to everyone for your understanding and assistance in the past few weeks and the weeks yet to come.

We have all grass teams playing at Breckler Park on Saturday the 15<sup>th</sup> of August so the O/40 Division 3 Men's team are hosting a club dinner from 6pm. This event will be placed on TeamApp for rsvps. We need you to rsvp so we can cater for each and everyone.

Club Trophy night and AGM : this is being discussed at next week's Executive Committee meeting. Not sure what this will look like so will keep you posted.

As to the 2020 AGM we will be seeking nominations for various positions on the committee for the 2021 season. The club needs your support and for you to put your hand up to be on the committee or assist the various portfolios more. The hard work this committee and volunteers have done over the past 7 years has been incredible and has not only seen the club survive but also seen our junior portfolio grow, our Men's moving to two turf teams, our Master's team increase in player numbers and our women's teams having many players on our books and past members returning to the club. There has been talk around the other clubs as to how Harlies is continuing to survive each year, and they can see the work we have done with increasing our Junior portfolio. Note: juniors are the life blood of all sporting codes.

Without the committee and the volunteers the club would not be... so if you wish to continue to play for Harlies in the years to come get please do get involved.
